

PUBLIC NOTICE

YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) proposes to issue Air Quality Control Significant Permit Revision Number 46157 to Phoenix Cement Company for its existing cement plant located at 3000 West Cement Plant Road, Clarkdale, Yavapai County, Arizona. The mailing address for this facility is P.O. Box 428, Clarkdale, Arizona 86324. The permit revision will authorize increased explosives usage in support of the quarry operations. The change is subject to the requirements of the Federal Clean Air Act, Arizona Revised Statute 49-426, and the Arizona Administrative Code, Title 18, Chapter 2, Articles 6 and 7. This proposed permit revision will limit emissions of the following types of air contaminants: oxides of nitrogen, sulfur dioxide, carbon monoxide, particulate matter, and particulate matter less than 10 microns in diameter.

You have an opportunity to submit written comments on the Permit and make oral comments on the Permit at the Public Hearing. ADEQ will be holding a Public Hearing on April 20, 2009, at 6:00 PM at the Clarkdale Clubhouse Men's Lounge, 19 North 9th Street, Clarkdale, AZ 86324. The written comment shall state the name and mailing address of the person, shall be signed by the person, their agent or attorney, and shall clearly set forth reasons why the Permit should or should not be issued. Grounds for comment are limited to whether the Permit meets the criteria for issuance spelled out in the state air pollution control laws or rules.

Materials related to the Permit, including the application, ADEQ's analysis and the draft permit are available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona and at the Town Clerk of Clarkdale's Office at 890 Main Street in Clarkdale, AZ 86324. You may also view the draft permit and technical support document online at <http://www.azdeq.gov/environ/air/permit/index.html> by selecting Public Notices, Meetings and Hearings.

Persons wishing to submit written comments can do so at the Public Hearing. If mailed, written comments must be received by April 20, 2009. Comments should be directed to: Trevor Baggione, Air Quality Permits Section Manager, ADEQ, 1110 West Washington Street, 3415A-1, Phoenix, Arizona 85007-2935 or by e-mail at tb4@azdeq.gov.

ADEQ will consider all comments received in making a final decision on the proposed Permit. Everyone commenting will receive notification of the final decision. People who file comments on the Permit will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Linda Morrison (602) 771-4793 TDD phone (602) 771-4829. Requests should be made as early as possible to allow time to arrange the accommodation.

If you would like to receive copies of future Public Notices of Air Pollution Control Permits, please provide a typewritten or a clearly printed copy of your name, address, and ZIP code, to the Air Quality Permits Section Manager at ADEQ's address or e-mail address shown above. Your request should also state that you wish your name to be placed on the Air Quality Permit mailing list.

If you have any questions or would like to find out more information about this Permit, please contact Trevor Baggione at (602) 771-2321, toll free (800) 234-5677 (ext. 771-2321), at ADEQ's address shown above or at tb4@azdeq.gov.
